

## REMARKS

This application is the entry into the national phase of International Application No. PCT/GB03/01685. That application was filed with a number of multiply dependent claims. In fact, some of the multiply dependent claims are themselves dependent from other multiply dependent claims. As such a claim structure is not permitted in the United States, applicant takes this opportunity to remove all multiple dependencies from the claims.

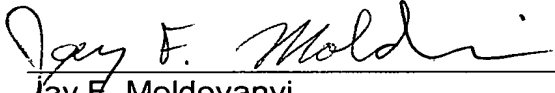

Prompt and favorable examination of pending claims 1-16 is respectfully requested.

Respectfully submitted,

FAY, SHARPE, FAGAN,
